

Quality

Hallmark Award

In care for people in the final years of life

COMMEND

This is to certify that

Quinton House Limited

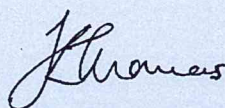

has completed the Gold Standards Framework in Care Homes Training Programme and has been awarded the GSFCH Accreditation Award for the high quality of care provided for people in the final years of life.

Date awarded

23rd April 2020

Valid Until

2020 - 2023

Professor Keri Thomas

National Clinical Lead for the

Gold Standards Framework Centre in End of Life Care

The Gold Standards Framework Care Homes Programme has been endorsed by Care England, Registered Nursing Home Association, National Care Association, and National Care Forum. The GSF Centre CIC is a recognised provider of training by the National Skills Academy for Social Care.
